JOIN NTSA
THE WORLD’S LEADING ASSOCIATION FOR MODELING, SIMULATION AND TRAINING

TRAININGSYSTEMS.ORG
WHAT IS NTSA?

The National Training and Simulation Association brings government, academia and industry together to develop new training and simulation solutions. By organizing a variety of industry forums and association-sponsored events, NTSA provides the Modeling & Simulation community with a means of communicating the full capabilities and characteristics of training systems and mission planning while promoting their business interests in the marketplace. Additionally, NTSA manages the Certified Modeling & Simulation Professional (CMSP) program to signify individuals’ knowledge and expertise within the field. As a recognized, formal organization that fosters the discussion of requirements, procurement issues and policies, NTSA builds relationships between the training industry, planners, and acquisition agencies. Accordingly, NTSA is a proud affiliate of the National Defense Industrial Association (NDIA).

ASSOCIATION OBJECTIVES

- **DEMONSTRATE** to government the non-partisan business interests of simulation, training, mission planning/rehearsal and support services.

- **INCREASE** the value of training systems and services provided by industry and government.

- **INFORM** and **EDUCATE** the legislative policymaking acquisition and regulatory functions of government, including Congress, the DoD and other agencies.

- **FOSTER** direct contact between acquisition activities and industry to better communicate procurement issues and policies.

- **PROMOTE** the highest level of responsibility and business ethics among Association members.

- **ACT** as a clearing house for business policy, ethics and practices affecting industry.

- **PROVIDE** industry-wide bulletins and news reports.

- **PARTICIPATE** with, inform and support the training and mission planning/rehearsal related activities of other industry associations such as AIA, EIA, ITEA and other Divisions of NDIA.

MEMBER BENEFITS

- **ENJOY** exclusive reduced registration rates for all NTSA & NDIA events

- **SUBSCRIPTION** to National Defense, NDIA’s award-winning magazine

- **READ** NTSA’s monthly e-newsletter, "Training Industry News"

- **RECEIVE** early booth selection at the annual Interservice/Industry Training, Simulation and Education Conference (I/ITSEC)

- **SAVE** 5 – 10% on I/ITSEC booth space as a Sustaining or Regular Corporate Member

- **PARTICIPATE** in NTSA and I/ITSEC initiatives

- **PROMOTE** government use of contract training and related support services when appropriate

- **SUPPORT** public relations activities that advance the development if the M&S and training industries

- **CONDUCT** studies and analyses to improve the cost-effective development and acquisition of training systems

- **REPRESENT** the industry by participating in discussions based on facts and data

INDUSTRY FORUMS

You are invited to attend NTSA meetings that focus on the M&S and training industries while featuring leading business management experts from both industry and government.

INFORMATION EXCHANGE

You have the opportunity to submit your corporate news to appear in the NTSA Newsletter, "Training Industry News," and access the most current information regarding relevant industry business issues and government procurement activities. In addition to exploring Congressional, governmental and global concerns, our newsletter highlights NTSA Corporate Members and their actions.
